Baggage information

Personal article

Use a personal bag or backpack to carry your laptop or other items that can fit under the front seat.

Carry-on baggage

You can carry liquids, gels or aerosols in bottles not exceeding 100 milliliters and pack them in a clear self-closing bag.

Checked baggage

Remember that the dimension of your bag should not exceed 158cm, equivalent to the sum of the outer dimensions (height, length, and width). If you're a LifeMiles member, please find out more at avianca.com about the frequent flyer baggage policy.

If your carry-on or checked baggage doesn't meet the weight and measurements of your fare, you will have to pay an additional cost.

Before your flight

Review your documents

Check the required documents on time to enter your destination and avoid inconveniences in airport filters.

Check your baggage

Arrive at the airport early and check your bag. If you don't have one, go to the boarding gate shown on the airport screens.

Arrive at the airport

Go to the airport 3 hours prior for international flights and at least 2 hours for domestic flights.

Go to the boarding gate

Remember boarding process closes 20 minutes before departure.

Pay attention

Go online and check the status of your flight at avianca.com, Avianca App or our social networks.
