The carriage of certain hazardous materials, like aerosols, fireworks, and flammable liquids, aboard the aircraft is forbidden. If you do not understand these restrictions, further information may be obtained from your airline.

LEGAL AND PASSENGER NOTICES

Carriage and other services provided by the carrier are subject to conditions of carriage, which are hereby incorporated by reference. These conditions may be obtained from the issuing carrier. The itinerary/receipt constitutes the passenger ticket for the purposes of article 3 of the Warsaw convention, except where the carrier delivers to the passenger another document complying with the requirements of article 3. Passengers on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that international treaties known as the montreal convention, or its predecessor, the

warsaw convention, including its amendments (the warsaw convention system), may apply to the entire journey, including any portion thereof within a country. For such passengers, the applicable treaty, including special contracts of carriage embodied in any applicable tariffs, governs and may limit the liability of the carrier. These conventions govern and may limit the liability of air carriers for death or bodily injury or loss of or damage to baggage, and for delay.
